One-Day Workshop: 6 Thinking Hats

12 November 2026 10:00 AM - 12 November 2026 05:30 PM

Brief Overview:

MMA's Flagship Workshop - World #1 Tool for Problem Solving & Decision Making for Managers

Date : 12-11-2026, Thursday

Time : 10:00 AM - 05:30 PM

Venue : MMA Management Centre

The quality of your leadership is shaped by the quality of your thinking.

Managers today are expected to make decisions faster, navigate uncertainty, resolve conflicts, solve complex problems and keep teams moving forward — often with incomplete information and competing perspectives.

But traditional, reactive thinking can create predictable decisions, prolonged debates and familiar solutions to unfamiliar problems. This intensive masterclass is designed to change that.

Through Six Thinking Hats, participants will develop seven essential cognitive and leadership skills for structured problem-solving, lateral thinking, design thinking, and effective decision-making.
